Level 4 - Unit 7
Fashion - Lesson 1

Fashion - Vocabulary

style: the way someone dresses or does things that shows what they like (noun)

Max likes to wear comfortable clothes but has a very cool **style**.

Fashion - Vocabulary

outfit: A group of clothes that are worn together to look nice or to play (noun)

The kids wore their karate **outfits** to practice.

Fashion - Vocabulary

baggy: clothes that are too big and not tight-fitting (adjective)

Her style is to wear really **baggy** outfits.

Fashion - Vocabulary

fit: to be the right size or shape for someone or something (verb)

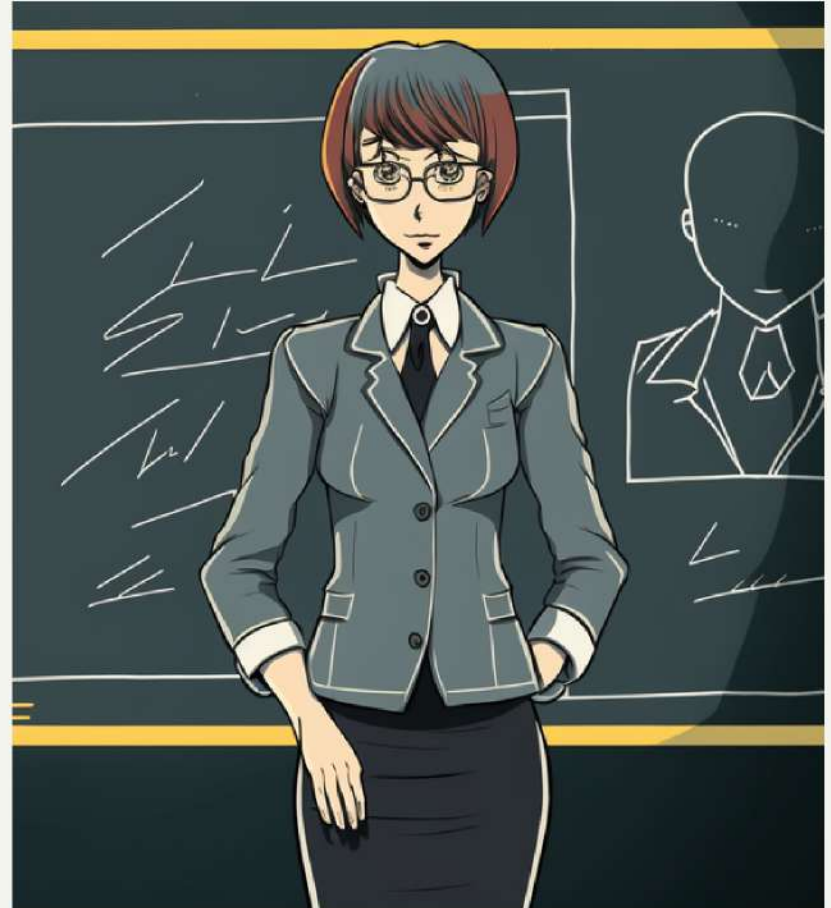

She tried on the shoes to see if they would **fit** her feet well.

Fashion Show

Super
English

At Oakwood School, the students sat in their classrooms, waiting for class to start. The teachers stood at the front of their classes and gave the students some fun news. They would have a fashion show, and the students could wear anything they wanted to show off their unique **styles**.

Fashion Show

Super
English

The kids were excited as they heard about the fashion show. They went home that day and searched for the perfect **outfit**. They dug through their closets and dressers, looking for just the right outfit for the show.

Fashion Show

English

The day of the show arrived, and the kids wore their outfits to school. Lucy chose a stylish jacket and matching shoes. John decided to wear a **baggy** t-shirt, hat, and sneakers. Emily wore a jacket, t-shirt, and shorts that **fit** well. Jenny wore a dress that made her look like a flower.

Fashion Show

The kids were all lined up backstage, feeling a bit nervous but also excited. Each class took turns walking down the runway showing off their fashion. The kids were all cheering and clapping for each other, and everyone looked so amazing and stylish.

Fashion Show

English

When the show ended, the kids went back to their classrooms. They all felt happy and proud of themselves. They knew that they had shown their unique styles and that it was important to be confident in what they wear, no matter what anyone else thinks.

Let's do Grammar!

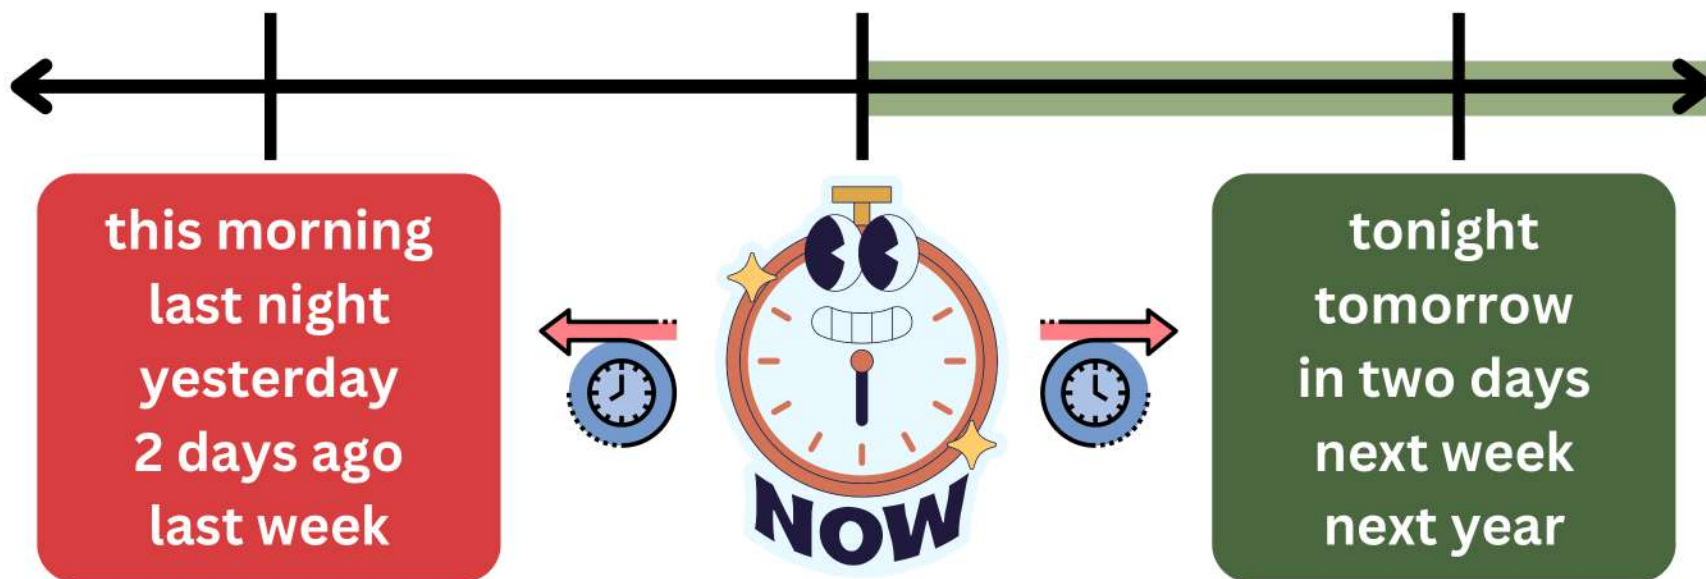

Future with Going To

We use "**going to**" when we plan to do something in the future.

past (before now)

future (after now)

Phonics
