# Let's Read!

# Max Muscle's Epic Journey

Max Muscle was no ordinary action figure. He was on a secret mission to reach his new teammate, Minh, in Vietnam. As Jimmy wrapped him in a protective shield of bubble wrap, Max braced himself for the adventure ahead. "Stay strong, buddy," Jimmy whispered as he closed the box.

# Max Muscle's Epic Journey

Max's first challenge was a bumpy ride in a delivery truck. He felt every turn and rumble, imagining he was dodging obstacles on a race track. He overheard the delivery guys chatting about his final destination, and it grew his excitement.

# Max Muscle's Epic Journey

At the airport, Max was carefully placed into the **cargo** hold of the airplane. He was among other packages and letters, all going to far-off lands. As the plane's engines roared to life, Max felt as if he were blasting off to save the universe.

The flight was long, and Max dreamed of the tropical lands he'd soon see. Finally, the plane touched down in Vietnam. Max could feel the warmth seeping into the cargo hold. He was quickly whisked away to a **sorting** center, where he was greeted by the hustle and bustle of workers and packages.

# Max Muscle's Epic Journey

Then came the most thrilling part: the delivery. Max was placed onto the back of a motorbike, zipping through the busy streets of Vietnam. He saw colorful markets, heard the buzz of conversation, and even caught the scent of delicious street food.
